# **Fenger High School**

## ***Sample Letter to Elected Officials***

As you may be aware, Fenger High School is among the latest group of Chicago Public schools facilities scheduled for turnaround. We respectfully urge you to join us in protesting this action by the Chicago Board of Education as yet another example of the demise of neighborhood schools in the city of Chicago.

Schoolchildren in our city deserve to receive a quality educational opportunity without being uprooted by arbitrary school closings, consolidations, turnarounds and phase-outs. Please join me and many other concerned citizens of Chicago in urging the Board of Education not to take this action.

Thank you,
