See reverse side for a sample letter to send to your elected officials.

Because of residency requirements, the majority of school personnel **ARE registered voters in the city of Chicago.*

• Prepared and printed in-house by Union staff. •

Global Vision School

Sample Letter to Elected Officials

As you may be aware, Global Vision School is among the latest group of Chicago Public schools facilities scheduled for consolidation. We respectfully urge you to join us in protesting this action by the Chicago Board of Education as yet another example of the demise of neighborhood schools in the city of Chicago.

Schoolchildren in our city deserve to receive a quality educational opportunity without being uprooted by arbitrary school closings, consolidations, turnarounds and phase-outs. Please join me and many other concerned citizens of Chicago in urging the Board of Education not to take this action.

Thank you,
