How much should you save?

Open a “**CTU Member Savings Plan**” at the United Credit Union. Your new account earns a **.20% quarterly interest rate** (*better than at most banks: direct deposit available, open with \$100 initiation, no early withdrawal fees*).

In the next five months - from February to June, 2012 - put aside a small percentage of each paycheck to cover your salary for:

- *One week salary? Save 4.5% of each check now.*
- *Two weeks salary? Save 9.0% of each check now.*
- *Three weeks salary? Save 13.5% of each check now.*

Plan now to get peace of mind when you need it most!
